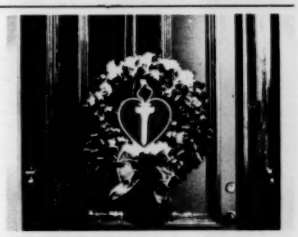
Season's Greetings. From one heart to another.



During this joyous season, your American Heart Association wishes you the happiest and healthiest of holiday greetings.

With our whole heart we're leading the fight against our nation's Number One Killer — heart disease and stroke.

We're leading the fight with research, professional and public education, and community service programs. And we're winning.

But more needs to be done.

You can help by making this holiday season "A Time To Remember." Send a friend or loved one a special occasion card from the American Heart Association, listed in your telephone directory.
